OUR COMMUNITIES**  
**fairness – justice – respect**  
**Unite Community Open Meeting**

**Wednesday Dec 3<sup>rd</sup> 7pm – 9pm**  
**St Martins Community Centre**  
**Abbots Park, Brixton SW2 3QB**

Join activists from local and national campaigns to discuss how we organise to get decent housing, living wages and against cuts in welfare and local services.

**Speakers: Lindsey Garrett, from the New Era Estate campaign & Pilgrim Tucker, Unite Community Organiser**

Our communities are under attack: High rents, homelessness and no council housing; Increasing harassment and sanctions over Jobcentre and Council benefits; Low wages, zero hour contract and zero respect in part-time, insecure jobs; More cuts on the way to local services and benefits.

Unite Community is the union branch for people who are unemployed, home working, or in insecure non-union jobs. We work with community organisations, trade unions, and advice and campaign groups, building networks of solidarity for people to be able to help each other, and organising local and national campaigns.

If you have any issue you would like Unite Community to take up please get in touch or come along to the meeting.
