

Are you concerned about traffic and parking outside Fenstanton School?

Come to the next residents association general meeting. This is a chance for residents to voice their concerns and discuss how we can get solutions.

**Residents Association General Meeting
St Martin's Community Centre, Abbots Park
Tuesday 28th April, 7pm
(advice surgery from 6pm for personal issues)**

They'll be lots of time to discuss other issues. We also hope to discuss the Christchurch Road sports facilities and the atrocious state of communal lighting. New ideas are always welcome
