

# **HELP US CAMPAIGN AGAINST DAMP IN ST MARTINS - 7PM, JULY 17TH**

Come and support your fellow residents as we make a deputation to the council at Lambeth Town Hall, 7pm, Wednesday 17th July  
(We will meet outside at 6.50pm and go in together)

We are asking the council to join us in calling for an independent environmental assessment of the St Martins Estate - so that we can prove that there are serious issues that need to be fixed properly!
