

# HELP US DESIGN THE ADVENTURE PLAYGROUND

Thursday 20th February 3-5pm

*Sadly, last summer our playground structures had to be demolished.*

*Help us restore to continue to make this space fun and exciting for the community.*

- Come and share your memories of Tulse Hill Adventure Playground.
- Give ideas for what should replace the old structures.
- See what the children want in the space.

Workshop facilitated by Made From Scratch

Tulse Hill Adventure Playground, Greenleaf Close,
